

REVITALIZATION TAX EXEMPTION

The Village of Burns Lake is open for business – and we’re proving that by offering generous tax breaks on investment in our industrial properties.

If you invest a minimum of \$50,000 in improvement on your industrial property, you’ll pay no property tax on the improvement for a year. You’ll get big discounts in the following four years, too. The only catch – the improvement has to create two new full-time jobs.

Tax Exemption Schedule:

Year	% Tax Exempted
1	100
2	80
3	60
4	40
5	20

{Subject to *Revitalization Tax Exemption Amendment Bylaw 945, 2013*}
